

Frontpaneler

Roomy Walls frontpaneler kan farvetrykkes på begge sider efter ønske og efter en specifik trykfil.

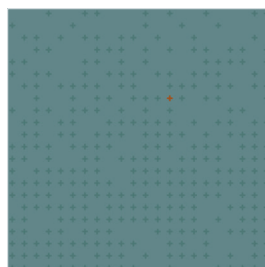

Roomy tilbyder også færdigdesignet grafiske tryk. Det er muligt, selv at bestemme farverne på de færdige designs, men ikke form og layout.

Se mere information og inspiration omkring Roomy Walls frontpaneler på www.roomy.dk. Herinde findes også en guide til, hvordan man laver en trykfil, så den printes korrekt på frontpanelerne.

Er du i tvivl...?

Kontakt Roomy, hvis du er i tvivl om, hvad der er den rette løsning til dine Roomy Wall frontpaneler - så finder vi sammen ud af hvilke frontpanel-designs og farver der passer ind i netop jeres omgivelser.
